Of the new shares, 260,900 were issued for general subscription under the provisions of Presidential Decree 350/1985, while the remaining 126,900 concern a private placement subscribed by the old shareholders and associates of the Company. received from the reserves with the issue of 1,000,000 new shares of a nominal value of GDR 100 each, which were distributed free of charge to the shareholders in a ratio of one (1) new share to two (2) old shares.

13. By a resolution of the General Meeting of Shareholders dated 01.04.1999, the capital stock was increased by GDR 600,000,000 through the issue of 6,000,000 new registered shares of a nominal value of GDR 100 each, a sale price of GDR 900 per share and a ratio of two (2) new shares to one (1) old share. 14. By a resolution of the General Meeting of Shareholders dated 27.06.2001, it was decided to convert and round, under the provisions of Law 2842/2000, the nominal value of the share and the capital stock of the company so that they are both expressed in Euros. For this reason, it was decided to increase the capital stock by GDR 20,025,000 through the capitalization of reserves from the revaluation of the price of real estate assets and to increase the share's nominal value from GDR 100 to GDR 102,225 or EUR 0.30.

15. Finally, by a resolution of the 1st Repeat Extraordinary General Meeting of shareholders dated 20.08.2002, the company's capital stock was increased by three million six hundred thousand Euros (3,600,000.00), due to the equivalent contribution of the capital stock of the company IFAISTOS ATE, in the context of the approved merger by acquisition of the latter by EKTER SA, under the provisions of Codified Law 2190/1920 and Law 2166/1993.

16. By the same resolution of the 1st Repeat Extraordinary General Meeting of shareholders dated 20.08.2002, the nominal value of the existing 9,000,000 registered ordinary shares was increased from EUR 0.30 to EUR 0.56 each, and 2,250,000 new registered ordinary shares of a new nominal value of EUR 0.56 each were issued and were distributed, according to the agreed exchange ratio, to the shareholders of the acquired company IFAISTOS SA.

Thus, the Company's capital stock amounted to six million three hundred thousand Euros (€6,300,000), divided into 11,250,000 registered ordinary shares of a nominal value of €0.56 each.

17. By a resolution of the 1st Repeat Ordinary General Meeting of Shareholders dated 08.07.2015, it was decided to increase the Company's capital stock by the amount of EUR 6,750,000.00 through the capitalization of part of the "Share premium" reserve, with an increase in the share's nominal value by EUR 0.60 (i.e., an increase from EUR 0.56 to EUR 1.16), with a simultaneous equivalent reduction of the capital by EUR 6,750,000.00 through a corresponding reduction of the share's nominal value by EUR 0.60 (i.e., a reduction from EUR 1.16 to EUR 0.56) to absorb accumulated losses entered in the sub-account "Differences from the revaluation of assets" of the "Retained earnings" account.

Thus, the Company's capital stock amounted to six million three hundred thousand Euros (€6,300,000), divided into 11,250,000 registered ordinary shares of a nominal value of EUR 0.56 each.

18. By, by the same resolution of the 1st Repeat Ordinary General Meeting of Shareholders dated 08.07.2015, a further reduction of the Company's capital stock was decided by the amount of four hundred fifty thousand Euros (€450,000.00), through a reduction of the share's nominal value by EUR 0.04 (reduction from EUR 0.56 to EUR 0.52), to return a capital of EUR 0.04 per share in cash to shareholders.

Thus, the Company's capital stock amounts to five million eight hundred fifty thousand Euros (€5,850,000.00), divided into 11,250,000 registered ordinary shares of a nominal value of EUR 0.52 each.

19. By decision of the Ordinary General Meeting of Shareholders of 28.06.2024, it was decided to split all the existing shares (stock split) of the Company, without changing the share capital, with a ratio of two (2) new

shares replacing one (1) old share, through a simultaneous reduction of the nominal value of each new share from EUR 0.52 to EUR 0.26.

Thus, the share capital of the Company amounts to five million eight hundred and fifty thousand (€5,850,000.00) euros, divided into twenty-two million five hundred (22,500,000) ordinary registered shares, with a nominal value of 0.26 euros each.
